

December 2, 1952

Dear Leonard:

Many thanks for your letter and the copy of the cerebral palsy report.

All my admiration for the wonderful job you have done! It is really a sign that brains, determination and know-how can do anything, and I believe that cerebral palsy will be essentially conquered in a few years basically as a result of your enterprise and Mrs. Goldenson's.

Warmest good wishes.

Yours,

Mr. Leonard H. Goldenson
